PRESS RELEASE

MACDERMID GRAPHICS SOLUTIONS LAUNCHES PRODUCT STEWARDSHIP CONSULTATION LINE

(Atlanta, GA USA) – July 23, 2019 – MacDermid Graphics Solutions launches the Product Stewardship Consultation Line. This consultation line is staffed by industry experts to answer customer questions about industry regulations and MacDermid products.

MacDermid Graphics Solutions' Product Regulatory Department understands the importance of Product Stewardship. We are committed to offering safer products by understanding the health, safety, environmental, and social impacts of our products throughout the supply chain. MacDermid is taking the leadership position in providing a dedicated consultation line answering customer's questions about industry regulations and our products.

Customers can call the Product Stewardship Consultation Line at (908) 791-2336 Monday through Friday from 9:00 AM – 6:00 PM EST for easy access to answers.

About MacDermid Graphics Solutions

MacDermid Graphics Solutions is a global leader in the manufacturing and marketing of photopolymer plates and platemaking systems for the package printing industry. From analog to digital, liquid to sheet, solvent to thermal, MacDermid offers its customers a choice when it comes to selecting the plate processing method that is the best fit for their specific application. MacDermid Graphics Solutions has been leading the way in flat-top dot technology with our award-winning LUX® ITP™ Platform and LUX® Lamination. To elevate your print to the next level, count on the flat-top dot technology experts, MacDermid. For more information about MacDermid Graphics Solutions, visit graphics.macdermid.com.
