## PRESS RELEASE

### MACDERMID GRAPHICS SOLUTIONS ANNOUNCES THE PROMOTIONS OF PATRICK MULLANEY AND TOM CAPLINGER

(Atlanta, GA USA) – March 12, 2020 – MacDermid Graphics Solutions announces the promotions of Patrick Mullaney to VP, Global Strategic Accounts, and Tom Caplinger to VP, Americas.

With 32 years at MacDermid, Pat has been instrumental in building MacDermid Graphics Solutions into a leading supplier in the flexographic market. Pat will lead a team of senior sales resources around the world that will be responsible for the overall management and coordination for multi-national strategic accounts for MacDermid Graphics Solutions. The Strategic Account Management Team will be responsible for developing and executing annual account business plans for MGS multi-national strategic accounts.

Tom joined MacDermid 30 years ago and has done a tremendous job leading and growing the MGS Latin America business, and will be a vital leadership component to achieve the continued growth of MGS North America. Tom will oversee and be responsible for all North America and Latin America sales resources. Tom will be implementing a plan for expanding our sales resources and account coverage model in the Americas.

Melanie Galloway, Senior Vice President at MacDermid Graphics Solutions, stated, “Pat and Tom are leaders at MacDermid and within the industry. Their dedication to the company has resulted in extraordinary sales growth in the Americas region. These new roles will optimize their strengths and allow MGS to best support our current and future customer base.”

These two promotions of essential leadership will provide our global team with the opportunity to expand our global presence and continue to provide unparalleled service and support to our customers. Pat and Tom will be reporting to Melanie Galloway, Senior Vice President of MacDermid Graphics Solutions.

#### **About MacDermid Graphics Solutions**

MacDermid Graphics Solutions is a global leader in the manufacturing and marketing of photopolymer plates and platemaking systems for the package printing industry. From analog to digital, liquid to sheet, solvent to thermal, MacDermid offers its customers a choice when it comes to selecting the plate processing method that is the best fit for their specific application. MacDermid Graphics Solutions has been leading the way in flat-top dot technology with our award-winning LUX ITP™ Platform and LUX® Lamination. To elevate your print to the next level, count on the flat-top dot technology experts, MacDermid.
