PRESS RELEASE

MACDERMID GRAPHICS SOLUTIONS APPOINTS TRISH OAKLEY AND MICHAEL KOONS AS NORTH AMERICAN ACCOUNT MANAGERS

(Atlanta, GA USA) - May 30, 2019 – MacDermid Graphics Solutions (MGS) recently announced and welcomed the appointments of Trish Oakley and Michael Koons as Account Managers for North America.

“I am pleased to announce the addition of Trish and Michael to the MacDermid Graphics Solutions North American Sales Team. Trish and Michael each have over 25 years experience in the Print and Packaging Industry bringing a wealth of knowledge to our customers and organization. Their backgrounds in sales and technical service will allow MGS to continue to be a leader in the market. We look forward to their continued success representing MacDermid Graphics Solutions,” stated Mike Williams, MGS Director of Sales for North America.

Trish Oakley joins MGS with experience in both operational and sales management within the graphic arts and packaging industry. Trish started her career focused on the operational side of the graphic arts industry before transitioning into sales and sales management. Based in Newmarket Ontario, Canada, Trish will be responsible for cultivating relationships with current customers, while also developing new business partnerships in Canada.

Michael Koons joins MGS with technical sales and service experience. His diverse background with ink formulation, application methods, strong technical aptitude, and sales methodology in the printing and coating industries will suit him well in developing long-term partnerships with MacDermid Graphics Solutions’ customers. Based in Mentor, OH, Mike will continue to provide effective solutions to customers in the Central Midwest, as well as create new business relationships.

Trish and Michael will be based in their respective territories and will be reporting to Mike Williams.

About MacDermid Graphics Solutions

MacDermid Graphics Solutions is a global leader in the manufacturing and marketing of photopolymer plates and platemaking systems for the package printing industry. From analog to digital, liquid to sheet, solvent to thermal, MacDermid offers its customers a choice when it comes to selecting the plate processing method that is the best fit for their specific application. MacDermid Graphics Solutions has been leading the way in flat-top dot technology with our award-winning LUX® ITP™ Platform and LUX® Lamination. To elevate your print to the next level, count on the flat-top dot technology experts, MacDermid. For more information about MacDermid Graphics Solutions, visit graphics.macdermid.com.
